CHILDREN
WERE HELPED

Foundation's Line Of Activity

Fund raising activity is aimed to help children with rare neurological diseases of the spinal cord and brain to undergo the necessary treatment in the best clinics worldwide.

Our Mission

Saving the lives of children by creating opportunities for easy access to quality medical care, regardless of the financial situation of the child's family and the region of residence.

- All donations that come to the fund's account are used only for financing the cost of treatment.
- Fund unites caring, involved people, who are ready to help children with diseases to give them a chance for a healthy future.
