Introducing Provide Finance!

Just by way of introduction, I am **Chris Dexiades** the Business Development Manager at Provide Finance, we are a full service commercial brokerage firm based around an **award-winning digital platform** and able to assist all SMEs here in the UK.

Provide Finance are experts at providing innovative funding solutions to meet your company's specific financial needs. We are committed to delivering a **superior customer service** experience that includes flexible funding options and we take great pride in working with our partners in delivering industry-leading funding solutions.

We offer a full commercial finance service proposition, with over **200 lenders on our panel** ready to support you.

We recognise the importance of compliance and regulation in our sector and as such, we are directly authorised by the FCA and are members of the **National Association of Commercial Finance Brokers (NACFB)**.

The screenshot shows the 'Create Enquiry' page of the Provide Finance digital platform. The interface is clean and modern, with a sidebar on the left containing navigation options like 'Funding Enquiries', 'Dashboard', 'Business Enquiries', 'Property Enquiries', 'In Application', 'My Views', 'All Enquiries', 'Business Enquiries', 'Property Enquiries', 'Add New', 'Add New Enquiry', and 'Add New View'. The main content area is titled 'Create Enquiry' and includes a 'Main Applicant' section with a '+ ADD EXISTING' button and a 'SKIP FOR NOW' button. Below this is the 'Funding Amount & Type' section, which has a 'What kind of Funding?' section with radio buttons for 'Property' and 'Business' (selected). The 'Business' option is accompanied by a small icon of a building with a green arrow. At the bottom, there is a 'Business details' section. On the right side of the form, there is an 'Enquiry Strength: Prospect' section with a 'Source: Broker Platform Direct' and an 'Enquiry Sections' list with a 'You are here' indicator for 'Funding Amount & Type'. Other buttons include 'SAVE AND EXIT', 'RETURN TO LEARNING', and 'REMOVE'.

Provide Finance: Success Built On Client Satisfaction

We're an award-winning, approachable and innovative fintech, Provide Finance was created with a single aim – *“to reshape the future of financing and funding by connecting borrowers, lenders, and intermediaries in real-time”*, whilst also offering expert support, guidance, and educational resources.

We work hard to offer our clients finance solutions that are tailored and fast, matching their desired rates and terms. From inception, our unique offer quickly resonated with borrowers and brokers.

We tell the truth about finance.

Often we find the language and pathways that lead to full funding are inaccessible to a majority of borrowers. Our **educational resources** and **easy-to-navigate platform** are created to demystify the finance process. We find that by taking this approach, we can help borrowers and brokers alike by creating more **transparency** and less confusion on the journey to secure funding.

We know what matters.

The finance world is constantly changing - we stay on top of it so you don't have to. We are dedicated to staying on top of how the evolving economy and culture will affect our user's priorities, and make this information accessible on our website and social pages.

We offer support at every step of the way

When you use Provide, you get access to a team of financial experts who offer assistance at any step of your finance journey. Whether you need help finding the best option, or additional resources, our team works hard to get you the best deal at the best rate possible.

We champion our users!

Our users are our heroes. We pride ourselves on being a user-centric platform because one size does not fit all when it comes to finance. Provide puts you in control of your finance journey, and **gives you the tools** and support you need to be successful.

With Provide, finance is no longer overwhelming or intimidating. They focus on how I can use it to **achieve my goals.** They specialise in a number of finance options so I can always rely on them to find a solution to my enquiries.

How Provide support investment in to the UK...

When considering investments in the UK in 2024, property stands out as a compelling option for long-term growth and financial stability. **Property investment offers various advantages** as does buying and investing in businesses and infrastructure.

We in Provide Finance are able to support you with your aspirations and are able to **assist you in planning, setting up the company** including banking and management of your assets as well as the funding here in the UK.

3 Key Reasons to use Provide Finance for your funding needs!

1. Save yourself some time

When you are looking for some commercial finance, you will need to contact dozens of lenders to get the best deal. Provide Finance has an **award-winning portal** that can put you in touch with our panel of over 200 lenders (and growing) in one go!

2. Getting the right deal for you?

Many businesses speak to their existing banks when they need to borrow money. In some cases, this could be right for you and your business. In others, you **might be missing out!**

We at Provide Finance have access to the entire market of lenders, allowing you to **maximise your chances** of getting the funding that best suits your business.

3. The Devil's in the detail.

Lenders are busy dealing with several applications and have limited time to review your application / proposal. Your application may be declined, on the smallest mistake.

At Provide Finance, we work with lenders and **complete applications daily**. We have the experience and knowledge to make sure your application covers **all the key points**, making it as easy as possible for the lender to agree the funding you are looking for.

Why use a broker in the UK?

We at Provide Finance are here to support all our SMEs and businesses across the UK with all their funding needs from business finance to the property you are looking to buy as an investment.

Why Choose Provide Finance?

Our years of experience working in this sector means that Provide Finance are ideally placed to assist you in raising commercial finance, whether you are a **sole trader, partnership or limited company**.

As well as having access to numerous sources of finance, **our team of specialist are here to help deal with your requirements**. We know what finance providers are looking for and we can help you prepare an application to secure the right deal and to take the stress out of the process.

So **get in touch for further information** regarding the different types of commercial & business finance, what we can offer you and how we can help your business.

I would be delighted to discuss any of the areas I mentioned - Let's get started on your next deal, **today!**
